

This list of Nuisance Wildlife Control Operators (NWCO) is provided as a service to the public and is updated periodically. The individuals and companies on this list are in the business of wildlife control and most do charge a fee for their services. This fee for service is negotiable between the customer and the service provider and in no way is influenced by Georgia DNR. Georgia DNR does not endorse nor guarantee the services provided by any NWCO on this list. The decision to hire or enter into a contract with an individual trapper is solely that of the customer. It is recommended that you as the land owner or home owner seeking help with a nuisance wildlife problem ask for references, have the NWCO explain in detail exactly what services they will provide and what fee is expected before agreeing to or signing any contract for services.

Current Georgia Nuisance Wildlife Trappers List					2023-1	Q1	July
This list is provided as a Courtesy by DNR, and may or may not be all inclusive. This list is updated periodically.
