REVIEW COMMITTEE**

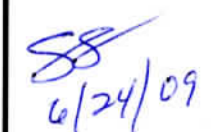

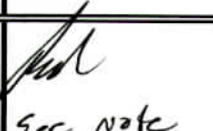

DATE: 06/19/09

SPECIES: Spinner shark

EDWARD J. HAWIE

DIVISION:	WOMEN'S	MEN'S X
CURRENT RECORD:	LBS.	OZ.
WEIGHT NEEDED:	LBS.	OZ.
ENTRY WEIGHT:	145 LB	6 OZ.
DATE ENTRY RECEIVED:	9-Jun-09	

notes
Currently, there is no record for Spinner sharks, primarily b/c of the difficult with ID. This fish was positively ID'd by Carolyn and represents a sizable record that will be difficult to best. The committee needs to first decide whether to adopt a new species. By approving this record, that is essentially what will happen. (note, if this record species is opened, I think we are compelled to go back and look at a bonnethead that was submitted a few years ago but denied because there was no category. Thanks for your thoughts. - Doug
