# FIND YOUR PATH

## Georgia DNR Career Academy

## DISCOVER NEW OPPORTUNITIES

The Georgia DNR Career Academy engages the next generation of public servants who will care for Georgia's natural and cultural resources.

Attendees will have the opportunity to explore career options, receive training and education, and make connections with current DNR employees.

## GEORGIA

DEPARTMENT OF NATURAL RESOURCES

## HANDS-ON EXPERIENCE

Participants will have the chance to take part in the everyday activities of DNR staff.

Throughout the program, students will gain an understanding of DNR career paths, network with current employees, and experience the outdoors.

## MENTORSHIP & EDUCATION

After the program, students can receive continued mentorship from DNR employees to stay on the right path for future careers.

Eligible students can also choose to **earn technical college credit** upon completion of the Career Academy.

## CAREERS IN NATURAL RESOURCES

The Georgia Department of Natural Resources is looking for the next generation of outdoor professionals.

The **DNR Career Academy** is a week-long, overnight program for high school students to explore and learn about DNR careers in:

- Habitat stewardship
- Law enforcement
- State parks
- Fisheries & wildlife management
- Coastal conservation

## IN THE FIELD

The **DNR Career Academy** is hosted at DNR properties across Georgia, including state parks & historic sites, wildlife management areas, and fish hatcheries from the mountains to the coast.
