Applicant Information

- Vacancies are open to all qualified applicants. Applicants will be screened for the minimum qualifications listed for each job vacancy. Preference will be given to applicants who, in addition to meeting the minimum qualifications, possess one or more of the listed preferred qualifications, when applicable.
- Employees will be given the opportunity to compete within their division or within central office to transfer to or voluntary demote to a vacant position prior to consideration of applicants from outside of the agency.
- Applications are accepted for announced jobs only.
- To apply for an announced job vacancy, applicants must submit a Department of Natural Resources (DNR) Application for Employment to the individual address listed with each job posting. It is important that applications be sent directly to the contact person and/or locations listed. Applications sent to another location may not be forwarded and may result in applications not being considered.
- Applicants must submit one application for each position being applied for.
- A .pdf version and a Word version of the DNR Application for Employment can be found by visiting the Careers page of the DNR website at https://gadnr.org/careers.
- If submitting a résumé, please attach the résumé with a completed DNR Application for Employment.
- Please be sure to include the following information on your application; Job Title and Position Number.
- If the minimum qualifications for a job require a college education and you have obtained a degree from a college or university outside the USA, you are required to submit an International Education Evaluation Letter showing your degree is equivalent to one obtained at a college or university in the USA. International Educational Evaluations are accepted from the National Association of Credential Evaluation Services (www.naces.org/members.htm) or the Association of International Credentials Evaluators (www.aice-eval.org).
- Your application must be postmarked no later than the application deadline date noted on the specific job posting. Please note that deadlines will differ by job postings.
- Any offer of full time and part time employment by DNR is conditional upon a background check that is appropriate for the job functions and business necessity. If related criminal records are revealed in the process, the applicant will not be automatically disqualified.
- Information found on publicly posted social media accounts may be examined.
- Current State of Georgia employees transferring to a DNR position, on the same pay grade, will transfer at their existing pay. Current State of Georgia employees transferring to a DNR position, on a higher pay grade, will typically receive a 5% promotion, or go to the job minimum, whichever is greater. Current State of Georgia employees transferring to a DNR position, on a lower pay grade, will typically receive a demotion with a loss in pay.
- All positions listed in this announcement are in the Unclassified Service and will be filled as unclassified positions.
- All qualified applicants will be considered. Hiring locations will contact applicants regarding interviews but due to the volume of applications received not all applicants will be contacted or receive an interview.
- If you need this Vacancy Announcement in an alternate format, please contact the DNR Office of Human Resources at 404.656.7560.
- DNR is a registered participant in the federal work authorization program commonly known as E-Verify. DNR uses this program to verify employment eligibility of individuals hired on or after July 1, 2007. DNR’s E-Verify ID # is 45119, Authorized July 1, 2007.
- The Georgia Department of Natural Resources is an Equal Opportunity Employer.

Additional information on the Georgia Department of Natural Resources Operating Divisions can be located by visiting the below website addresses:

- Coastal Resources Division: www.CoastalGADNR.org
- Environmental Protection Division: www.GeorgiaEPD.org
- Historic Preservation Division: www.GAshpo.org
- Law Enforcement Division: www.GADNRL.E.org

JOB DESCRIPTION
Under broad supervision directs complex conservation programs in 28 counties in northwest Georgia with over 4.1 million people and is responsible for 22 Wildlife Management Areas and other state lands totaling over 250,000 acres. Supervises a professional, technical, and administrative staff. Manages more than a $1 million annual operating budget in support of regional activities. Proposes changes in laws and regulations and coordinates with DNR’s Law Enforcement Division to ensure enforcement of all state laws. Conducts contract negotiations, identifies natural resource problems, and directs scientific research and survey projects. Assists landowners by providing management recommendations to solve nuisance wildlife problems and enhance wildlife populations, conducts educational programs for the public, makes public presentations, and communicates to the public through all media sources.

MINIMUM QUALIFICATIONS
Bachelor's degree in biology, zoology, fisheries management, wildlife management or a natural resources related field from an accredited college or university
AND
Two years of related natural resources experience at a supervisory/management level.
OR
One year of experience required at the lower level Manager 1, Natural Resources (NRM040) or position equivalent.

PREFERRED QUALIFICATIONS
Preference may be given to applicants with:
• Six years of experience as a Wildlife Technician 4 with WRD
• Four years of experience as a Wildlife Biologist 2 with WRD
• Two years of experience as a Wildlife Biologist 3 with WRD

PAYGRADE | L
ENTRY SALARY | $42,622.26

JOB DESCRIPTION
Under limited supervision, working both independently and as part of a team, this position will support the coordination, development and management of land and species management geospatial databases. The incumbent will coordinate statewide data collection, bridge data and information gaps, develop informative GIS products, and evaluate and support administrative requirements for annual reporting. This position will also coordinate the collection and management of geospatial data to include annual population surveys, wildlife management area (WMA) habitat projects, WMA operation and maintenance activities, shooting ranges, timber management activities, hunting maps, and all spatial data needed for federal grant proposals and performance reports.

MINIMUM QUALIFICATIONS
Bachelor's degree in geography, cartography, geology, forestry or a closely related field from an accredited college or university
AND
One year of experience in the area of assignment.
OR
One year of experience required at the lower level GIS Specialist 2 (LSP061) or position equivalent.

PREFERRED QUALIFICATIONS
Preference may be given to applicants with:
- Experience with Geographic Information System applications, tools, and resources, including familiarity with both raster and vector resources, geodatabases, cartographic principles and common software tools
- Experience with relational, multi-user spatial database design, development and management; including the integration of existing databases (spatial and non-spatial)
- Experience with collection, analysis and dissemination of geospatial and related data/information
- Experience with wildlife management or biological sciences databases or geospatial projects
