

GREAT News! The Georgia DNR Law Enforcement Specialty Plate has been approved!

Only one remaining hurdle before the new Law Enforcement Division Specialty Plate makes its way to your county tag office and we need your help to clear that hurdle! Before the Motor Vehicle Division (MVD) begins production, 1,000 plates must be pre-ordered.

To show your support for conservation law enforcement in Georgia, be one of the first to pre-order a plate today for your vehicles or trailers!

Here's how:

- 1) Print and fill-out the attached Pre-Order Form;
- 2) Send the form and a \$25 check per tag **made payable to the Georgia Department of Natural Resources** (memo: "DNR Law Enforcement Specialty License Plate). Your check will be deposited into a restricted account until such times as 1,000 pre-orders have been received.
- 3) Once the goal is reached, the funds will be transferred to the Division of Motor Vehicles.
- 4) Then, you will receive, via USPS, two forms that you need to present to your local tag office. If it is your regular registration renewal period, you will also pay your county tag fees.

Please help us reach the 1,000 pre-order goal quickly by sending your check ASAP! **As an added incentive, the first 1,000 pre-orders will be entered into a drawing for a Samsung Chrome Book computer!** Your support of conservation law enforcement is greatly appreciated!

Another e-mail will be sent as soon as 1,000 pre-orders have been receive. Please direct questions to Mark McKinnon at mark.mckinnon@dnr.ga.gov .

Send your check **made payable to the Georgia Department of Natural Resources**
