

Online Balance Payment and Self-Check-in Opportunities now available

Georgia State Parks understands the importance of social distance during this time, so we are providing our guests with multiple balance payment and check-in opportunities.

Guests with reservation balances:

Guests with reservations are welcome to pay their balances before arrival. Payments can be made using their online account or with a new app, called RA Camping, which is available in the app store, as well as over the phone by calling the park office directly.

Self-Check-in opportunities:

After payment is made in full, guests can check-in using multiple check-in methods. Upon arrival at the park, if you're checking into a cabin, yurt or other locked facility please call the park office directly to receive additional check-in instructions. Guests with reservations for campsites can also call the park office to check-in or they can check-in using the RA Camping app available in the app store.

Thank you for choosing Georgia State Parks.

ParkPass

Parking in Georgia's State Parks is just \$5, or visitors can buy a \$50 annual ParkPass that helps fund renovations, trail work, dock replacements and more. Most visitors choose to buy daily or annual passes once they arrive at the park. Annual ParkPasses are good for 12 months from the date of purchase. The daily ParkPass is valid at all state parks visited the same day. It is not valid at state historic sites. Overnight guests pay the daily ParkPass fee only once during their stay, regardless of duration. To buy an Annual ParkPass or to pay the daily ParkPass fee, call the park office or buy an Annual ParkPass online by visiting GASstateparks.org. (Please allow 7-10 business days for shipping.) Annual ParkPass discounts of 50% are available for seniors 62 and older, and 25% for active military and veterans. These discounted passes must be purchased in person. Ask about bulk discounts for corporations and organizations.
